

## Tools, modular connectors

| Item number               | Product header text               |
|---------------------------|-----------------------------------|
| WMA                       | Extraction tool - GM Series       |
| WSMM14                    | Assembling tool - GM Series       |
| GIW30L                    | Mechanical hand press tool GIW30L |
| GIM30K06                  | Die to GIW30L                     |
| GIM30K09                  | Die to GIW30L                     |
| GIM30K12                  | Die to GIW30L                     |
| GIW10V                    | Mechanical hand press tool GIW10  |
| GIM10V16-0.25-1.5         | Press-head for GIW10V             |
| GIM10V20-0.5              | Press-head for GIW10V             |
| WMK0GR16-0.5-0.75         | Insertion tool for contacts       |
| WMK0GR16-1.0-1.5-GR12-0.5 | Insertion tool for contacts       |
| WMP0K16                   | Location pin (socket contacts)    |
| WMP0K20                   | Location pin (socket contacts)    |
| WML0                      | Handle                            |
| WML0-BU-GR16              | Extraction tool for contacts      |
| WML0-BU-GR20              | Extraction tool for contacts      |
| WML0-STI-GR16             | Extraction tool for contacts      |
| WML0-STI-GR20             | Extraction tool for contacts      |
