

Cable clamp type C

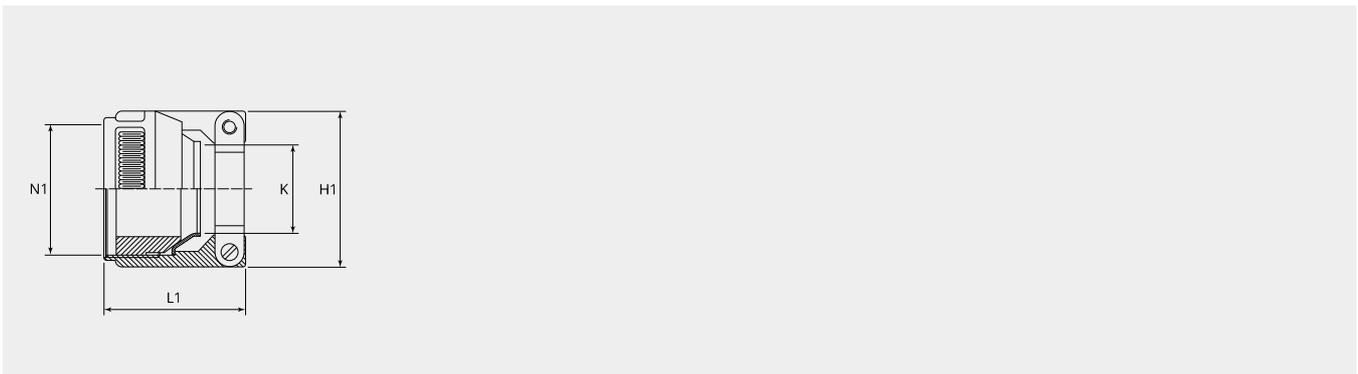

for cable entry bushing MS3420-A

Item number: CC14-AC

Packing unit: 1

Mechanical properties

Size:	14S
Shell material:	Aluminum alloy
Surface treatment:	Epoxy-polyurethane
Type of surface:	varnished
Thickness of surface treatment:	13-16 μ
Surface colour:	black
Corrosion resistance (h):	500
Operation temperature:	-55°C - +125°C
Temperature shock:	-55°C - +125°C
Conductivity (M Ω):	non conductive
EMI:	No
Material sealing ring:	Silicone

Dimensional drawing

L1 (mm):	34.0
N1:	3/4"-20 UNEF 2B
H1 (mm):	26.0
Clamping range min. (\emptyset):	5.8
Clamping range max. (\emptyset):	11.0
