

Cable clamp type C

for cable entry bushing MS3420-A

Item number: CC32-AC

Packing unit: 1

Mechanical properties

Size:	32
Shell material:	Aluminum alloy
Surface treatment:	Epoxy-polyurethane
Type of surface:	varnished
Thickness of surface treatment:	13-16 μ
Surface colour:	black
Corrosion resistance (h):	500
Operation temperature:	-55°C - +125°C
Temperature shock:	-55°C - +125°C
Conductivity (M Ω):	non conductive
EMI:	No
Material sealing ring:	Silicone

Dimensional drawing

L1 (mm):	45.0
N1:	1 3/4"-18 UNS 2B
H1 (mm):	54.0
Clamping range min. (\emptyset):	23.5
Clamping range max. (\emptyset):	31.8
